City Commission Starts Over an Untried Trail

MANY DIFFERENT PROBLEMS WILL CONFRONT THE NEW CITY GOVERNMENT.

NO PRECEDENTS ESTABLISHED

Laws Have Not Laid Down a Course Which the Commissioners May Follow.

It is not probable that one out of every hundred voters who cast their vote in favor of commission form of government or voted for their favorite candidates Tuesday, had the least idea of the situation the five men who were elected yesterday will face after the reins of city government are turned over to them by the retiring council tonight. Had they known that, it is doubtful if the change would ever have been made.

For these five men headed by Mayor W. B. Brinton will have their own row to hoe. When the state legislators of the 46th general assembly at special session in 1910 passed the bill which allowed cities and villages to adopt the commission form of government they stopped at the critical point. They showed the voters how to adopt the new idea, they told what the officers should be, they told how the commissioners could be recalled—but they failed absolutely to form any plan of government for the commissioners.

Old Ways Discarded.

The time honored means of conducting the city's business which have proven very satisfactory and adequate and which have been easily operated are to be discarded and tomorrow morning Dixon's governing body will find themselves at the beginning of a strange path, through which they will have to move with the greatest of caution.

What proceedings can we follow that will be legal? What will be the power of the several commissioners? What precedent will we have for any acts we wish to accomplish? How will our meetings and deliberations be conducted? In a word, what shall we do? These are the questions that will keep every one of those five men awake nights, cause them ceaseless study, make their task the hardest that has confronted any governing legislative body the city has had since its foundation.

Present city officials, and several of the ex-aldermen, some of whom have been re-elected as commissioners, as soon as the voters of the city decide on the new form of government, realized vaguely what the situation would be and they have been collecting all the data possible to guide them in their future work.

Much Data Secured

This information, secured from Des Moines and Cedar Rapids, Ia., Houston, Tex., Parsons, Kas., and other cities now under the commission rule, show the magnitude of the work ahead of Dixon's new council. They show that the new body will have to pass many ordinances covering their own deliberations, procedure, etc., and they show that a most careful reorganization of each department will be absolutely necessary.

Under the plans adopted by most of the cities now under the new rule the work has been equally divided among the four commissioners and mayor, of course, superintending executive, the work of each. Each commissioner has charge of the work in his department, with power to employ assistants, order work done, etc., with the confirmation of the council.

Five Departments.

Nearly all of the cities from which literature and data have been secured have adopted a plan something like this:

Department of Public Affairs—Mayor at head. This department includes the city clerk's office, the library, police judges, etc., and conducts the general clerical work of the city.

Department of Accounts and Finance—In charge of a commissioner or "council man." Department in-

COUNCILMAN M. J. GANNON.

cludes treasurer's office, licenses and auditors. In fact, this branch has charge of all of the city's financial matters.

Department of Public Safety—In charge of a councilman. Has charge of police, fire and health departments. Chiefs of these departments members of councilman's cabinet.

Department of Streets and Public Improvements—Councilman in charge. Superintendent of streets, city engineer and clerk members of cabinet. Has charge of all streets, alleys, sidewalks, sewers and public utilities using the streets or alleys.

Department of Parks and Public Buildings—Councilman at head. All city buildings, parks, etc., come under the jurisdiction of this department.

Will Be Busy Men.

In all of the cities that have adopted the new government it has been found necessary for each commissioner to devote the greater part of his time to the work, and the council has found it necessary to meet three or four times a week.

Under the law the council will find it necessary to choose an official newspaper, the choice to be determined by bid, in which all ordinances, proceedings, etc., are published.

The council will appoint all officials of the city, and thus it can easily be seen that the five men who are today rejoicing in their victory, of yesterday, will have little time in which to celebrate, for tomorrow morning they will be up against a stern reality—the formation of a new plan of government for a thriving city. They are pioneers in civic legislation.

EIGHT DROWNED WHEN 800 TRANSFERRED

PORTUGUESE MAIL STEAMER ON ROCKS NEAR CAPE GOOD HOPE.

Cape Town, Africa, Apr. 19—Special—Portuguese mail steamer Lusitania is on Bellows Rocks, near the Cape of Good Hope. The passengers and crew were taken off by a British warship. Eight passengers were drowned during the transfer of 800 people.

MRS. CHARLES KING

DIES IN AMBOY

Amboy, Apr. 19—Special—Mrs. Charles King, who has been a resident of this city for many years, died at the Amboy hospital Tuesday afternoon after a long illness. The funeral services will be held Thursday morning at the Catholic church and burial will be at the Sandy Hill cemetery in May township. Mrs. King is survived by a large family.

MAKE IMPROVEMENTS AT ASSEMBLY PARK

SEVERAL MORE COTTAGES WILL BE ERECTED DURING THIS SEASON.

BATH HOUSE TO BE FEATURE

Building Will Have Fifteen Dressing Rooms and Will be in Great Demand.

Many improvements will be made on the Rock River Chautauqua grounds this spring, all to be completed in ample time for the opening of the Assembly Saturday, July 29, the day when Hon. Champ Clark, speaker of the national House of Representatives, will deliver one of his characteristic lectures.

The principal improvement will be the erection of a bath house, dimensions of which will be 32x16 feet. The building will be modern in every particular and will contain 15 dressing rooms, each room to be 4x6 feet.

There will be eight rooms for women, six for men and one room, 8x6, for the boys. The partitions will be matched boards. The floors will be concrete and there will be a concrete walk from the bath house to the water, leading up to both doors.

The estimated cost of this improvement will be over \$250, exclusive of labor.

The horse sheds will also be improved. The south one-half will be entirely removed and the north one-half will be made more convenient for patrons with teams.

All the driveways will be improved.

A rustic bridge will be built across the ravine at the south gate and the south gate may be moved to the line of the park.

There will be some improvements made at the Assembly hotel. Work on the proposed bath houses will be commenced the first of next week and will be pushed rapidly, so as to get everything in condition for the opening day.

Lots Lease Fast.

Nearly all the lots in the circle have already been leased, in all 100 or more, leaving only about eight more of these very desirable lots yet to lease.

However, there are a couple hundred of lots outside of the circle yet to lease, which are good lots.

New Cottages Promised.

There will be at least four new cottages erected this summer. The following persons are now getting the plans drawn for cottages:

George Bruner, Attorney J. W. Watts, Russell Leake, Mrs. Underhill, Sterling, Dr. E. C. Smith, dentist, has leased a lot for the purpose of erecting a cottage thereon and it may be that he will build this summer.

Miss Anna Geisenheimer intends to move her cottage back about ten feet, and make other improvements.

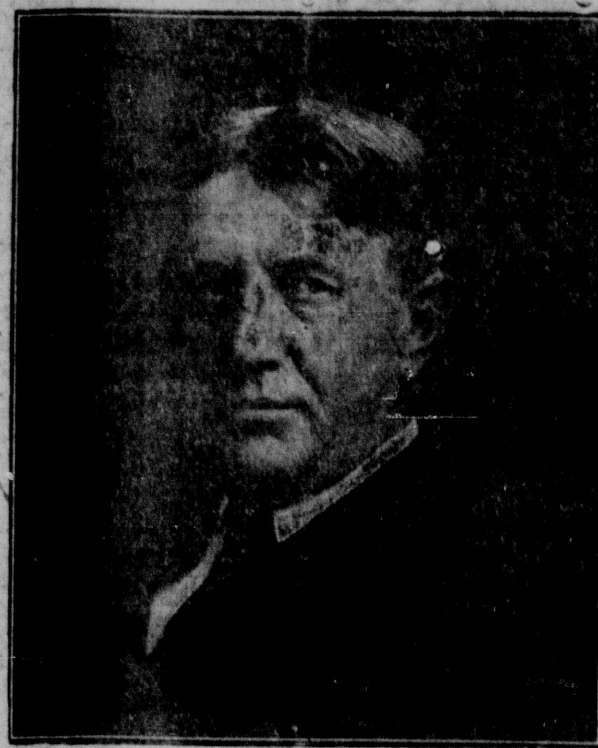

The grounds, as a whole, will be beautified. All the brush along the river bank will be removed. This one improvement in particular will be much appreciated by the Assembly patrons.

The Assembly this year will close on Sunday, August 13, and on that day the management will endeavor to get a feature attraction because of the advantage to be gained by the patronage of the many thousands who will come to Dixon to visit the camp of the Third brigade of the state militia.

MEXICAN INSURGENTS MOVE ON JUAREZ

SERVE NOTICE THAT THEY ARE TO DESTROY ALL BRIDGES.

El Paso, Tex., Apr. 19—Special—The insurgents south of Juarez moved their cannon nearer the city during the night and appear ready for an attack. Juarez passed the night under arms, momentarily expecting an attack. The rebels served notice that they would destroy all bridges between Torreon and Ciudad Porfirio Diaz.

O. H. MARTIN BUYS PARTNERS' INTERESTS

SOLE OWNER OF DIXON STORE ANNOUNCES REMODELING SALE.

O. H. Martin announces today that he has purchased the interests of the Potter estate and W. M. McAlister in the store in this city which has been conducted by O. H. Martin & Co., and that he is now sole owner of the business. The deal was consummated a short time ago and Mr. Martin is now arranging for extensive remodeling of the store. A balcony will be erected at the rear of the room to which the offices will be moved and the ready-to-wear department will be located under this balcony. The change will also give additional floor space, as the office will then be removed from the center of the room.

O. H. Martin & Co. have conducted a chain of dry goods stores in several cities in the northern part of the state, which has enabled the local establishment the advantage of syndicate buying. In conjunction with the other stores, Mr. Martin still retains his interest in several of these other stores and the buying advantages of the local store will not be changed in any way.

In order to reduce the stock of the store, so that the alterations can be made more easily, Mr. Martin will inaugurate a big sale soon, announcement of which will be made in his advertising space.

HIGHWAY COMMISSIONERS

ELECT OFFICERS

Tryon Rosbrook was elected treasurer of the board of highway commissioners at their meeting yesterday afternoon and as announced in yesterday's Telegraph, Michael Gaffney was chosen president.

DEATH TAKES AN EARLY SETTLER

MRS. BRIDGET MALONEY HAS BEEN RESIDENT OF DIXON SINCE 1853.

Mrs. Bridget Maloney, widow of Patrick Maloney, died at 3 o'clock this morning at her home, 320 Monroe avenue, of an illness of but a week's duration. Mrs. Maloney was one of the early residents of Dixon, having resided here since May, 1853. She was a native of County Clare, Ireland, where she was born in 1829. She came to this country before she was twenty years of age and was married in Elmira, N. Y., not long before coming to Dixon. Her husband died 18 years ago last August, but she is survived by six children, Michael, James, Daniel, Mrs. John P. Kennedy of this city and Mrs. Geo. C. Jacobs and John Maloney of St. Louis. She was a woman who made many friends and though she survived most of her associates of early days there are many who mourn her death and will miss her greatly.

The funeral arrangements have not been perfected, but will be announced tomorrow.

Brinton Elected Mayor; Four Commissioners Named

NEW COUNCILMEN FILE THEIR BONDS

EACH IN SUM OF \$3,000 APPROVED BY THE COUNTY COURT.

MEETINGS TO BE HELD WEEKLY

Duties of the Commissioners Will Be Divided at Meeting Monday Night.

Mayor-elect W. B. Brinton and Councilmen Schuler, Gannon, VanBibber and Schmidt this morning filed their bonds with City Clerk Grover and he will present them to County Judge Scott for approval as soon as that official returns from Chicago this afternoon. The bonds are for \$3,000 each, as is provided by law, the statute also providing that the bonds of the mayor and commissioners-elect shall be approved by the county court and filed with the county clerk. This takes the bonds of all members of the council out of their hands.

The law also provides that the city clerk's bond shall be filed with the city treasurer and the bonds of all other officers shall be filed with the city clerk. Thus it will be seen that no officer has the handling of his own bond.

The first regular meeting of the governing body will be held next Monday evening—as provided by law—and regular meetings must be held at least weekly. The statute also provides that the members must, at the meeting next Monday evening, apportion the different departments to the several commissioners. The mayor by law is head of the Department of Public Affairs. The other departments are:

Accounts and Finance,
Public Health and Safety,
Street and Improvements,
Public Property.

The council need not make any appointments until it sees fit.

MAGISTRATE KENT IN A QUANDARY

DOES NOT KNOW WHETHER HE IS STILL AN OFFICE-HOLDER.

Police Magistrate W. G. Kent is one of the most puzzled men in the city today. He is wondering whether he has an office or not. For the law governing the commission form of government says that all public officials shall vacate their offices as soon as the new commission qualifies. Mr. Kent has written to Attorney General Stead and asked for an opinion, something the Attorney General has refused to give.

Mr. Kent maintains that while the voters of the city elected him, his office is quasi-township, in that he exercises the same rights as justices of the peace, who are elected by the voters of the township. However, he is anxious to abide by the law, and it is probable the matter will come up to the new governing body.

NEW COUNCIL TO TAKE OFFICE AT MEETING THIS EVENING.

NO APPOINTMENTS TONIGHT

Men Elected Are Representative Citizens and Will Give City Good Government.

DIXON'S NEW COUNCIL.

Mayor.

WILLIAM B. BRINTON.

Councilmen.

MARTIN GANNON,

HENRY SCHMIDT,

W. A. SCHULER,

J. D. VAN BIBBER.

William B. Brinton was yesterday elected mayor of Dixon in a race that was surprising to many because of its closeness. Mr. Brinton's majority of 126 was not nearly as large as he and his aids had counted on. Mr. Brinton's own precinct elected him by giving him a handsome majority of 128 votes, for Mr. Brooks went down to the river with a majority of two votes.

The successful candidate carried three of the five precincts of the city, however, having a majority of four votes in the first, thirty-eight in the second and 128 in the fifth. Mr. Brooks carried the third and fourth precincts, his majorities therein being nine and thirty-five votes respectively.

The vote for commissioners also brought its surprises. Candidates were in many cases surprised to run way behind in precincts in which they had expected large votes, and again to receive a good vote in precincts on which they had not counted.

Martin Gannon, who under the old form of government has been alderman from the fourth ward for many years, lead the ticket of commissioners with 866 votes, 30 more than were received by Henry Schmidt, the north side alderman. W. A. Schuler, alderman from the first, was third man, while J. D. VanBibber was the fourth.

A complete table, elsewhere in this issue of the Telegraph, shows the vote in detail. The winners' names and votes are printed in black face and can be easily followed.

No Political Value.

The large vote polled by Mr. Brooks can in no way be considered a socialist vote, nor can Mr. Brinton's be attributed as democratic. No political lines were drawn in the campaign, and in fact, it appeared that the vote received by Brooks was about the same as he polled in the primary to which was added the Bovey vote. The figures of the primary show this to be the case. Mr. Brinton received 789 votes at the primary, while the combined vote of Brooks and Bovey was 791; Brooks 409 and Bovey 382. Thus it will be seen Mr. Brinton gained 109 votes while Mr. Brooks ran behind the combined Brooks and Bovey figures 25.

A study of the table published in this paper will show clearly how the voters of each precinct felt toward the individuals.

Good Commission.

To all careful thinkers the new commission looks good. Mr. Brinton has been an able business man. He has put the Grand Detour Plow Works on a substantial basis. He is known to be conservative, careful and conscientious, and surrounded with the men who have been selected should prove a strong man in the position to which he has been elevated. He will look after the city's business as carefully as he has the business of the Grand Detour Plow company.

Three of the commissioners have served in the old council and are familiar with city business and the city's condition and needs. Mr. Gannon has long been an active worker in the city's governing body. The same can be said of Henry Schmidt, who has devoted much of his time to

SOCIAL HAPPENINGS

PAST AND PROSPECTIVE

St. Ann's Guild.

St. Ann's Guild will meet Friday with Mrs. Chas. Chandler.

Woman's Column.

The Woman's Column will be found in tomorrow's Telegraph.

Tea Club.

Miss Nettie Dimick entertained the Tea club Tuesday afternoon.

Send \$1.25 to this office and we will mail to any address 100 beautifully engraved calling cards in script with copper plate neatly put up in an attractive box.

Brides, do not send out of town for your wedding invitations when you can procure at this office the very latest in both printed and engraved invitations.

Aid Society.

The Ladies' Aid society of the Baptist church will meet with Mrs. L. W. Mitchell on North Hennepen avenue tomorrow afternoon at two o'clock.

Aid Society Meeting.

The Aid society of the Christian church will meet all day tomorrow at the church.

Wm. Rink Celebrates.

Wm. Rink Sr. will be the host at a stag party at his home on First street this evening. 30 of his friends being guests. Mr. Rink is 81 years of age by the calendar, but it is safe to say if he is no older than he looks or feels he will be one of the youngest at the party tonight.

Sunshine Class.

The Sunshine Class will entertain in honor of Mrs. Hazel Forney Friday morning, April 21, at the home of Mrs. Lillian Whitehouse, 616 N. Chas. avenue. Mrs. Forney has been a member of the class for some time.

Catholic Fair.

Last night was Knights of Columbus night at the Catholic fair. The Knights did not do as well as the young ladies did the previous evening. The ladies always do the best, and to them is due credit in every sphere of activity. They should have a right to vote as well as to work.

The ladies last night presented a pleasing program. Mrs. Nellie Curtin sang a delightful solo, Mrs. Reynolds gave a reading, "Mary, Queen of Scots," in her own inimitable way. Misses Helen and Emily Clark gave a piano and violin duet.

The prize, a silver berry ladle, was drawn by Miss Gertrude Coakley, who held number 254.

This evening the Men Foresters will furnish the program. Another elegant piece of silver table ware will be drawn at 11 o'clock this evening.

Lady Foresters' Night.

The Lady Foresters will give an especially pleasing program at the Catholic bazar tomorrow evening. A general invitation is extended to all.

The bazar is progressing very nicely and those in charge are working hard for its success. It is to be hoped that they will be given plenty of encouragement and backing by large crowds and generous patronage.

Those who attend the fair find plenty of amusement and always declare the evening well spent.

W. R. C. Meeting.

The members of the W. R. C. are meeting this afternoon at their hall. The afternoon has been spent in sewing. A luncheon will be served this evening.

Sons of Veterans.

The Sons of Veterans will meet tomorrow night for organization.

Engagement Announced.

Miss Phoebe Crabtree of Depot avenue gave a breakfast to several of her friends, at which time she announced her engagement to Mr. John Dille of Chicago, the wedding to occur in June. Her guests were Mrs. Robert Sterling, Misses Helen Stephens, Hazel Noble, Hazel Thompson, Theresa Morse, Lucy Badger, Ruth Smith, Katherine Hauser and Bernice Jocelyn.

Masons to Rock Falls.

A delegation of 30 or 40 Masons from this city went to Sterling at different times during the afternoon to be present at a banquet and to confer degrees on Rock Falls candidates and institute a new lodge.

THE BURGOMASTER.

Manager Starin of the Dixon opera house announces the engagement of the especially pleasing attraction of Pixley and Luders' comic opera triumph, "The Burgomaster." This will be the attraction of the season for the fun loving public and will come soon.

Dramatic Notes

FAMILY THEATRE

Notwithstanding the fact there was plenty doing last evening, two large audiences attended the Family theatre and witnessed the best vaudeville attractions seen here for some time.

The feature bill, W. S. Harvey & Co., novelty juggling, is a wonderful performance. Harvey's work has never been equaled here.

McCormack & Irving, talking, singing and dancing, still continue to please. They are entertainers who do entertain. People never tire of them.

Harry Faber, spotlight singer, also pleases.

The pictures for tonight will be Grandmother's War Story and The Wedding Gift.

DIXON OPERA HOUSE.

"A Dutch Blockhead" which will be the play for tonight at the opera house, needs no second introduction to Dixon theatre goers.

The play will be remembered from last year by the characters of Robert Ryan, which John Winninger portrays, and Gus Shults, for which Frank Winninger is cast. It is their altercations over the damming up of the old mill stream that causes all the controversy which converts serious scenes into convulsions of laughter. A fair sized audience attended last night.

FORECAST.

Illinois and Missouri: Generally fair tonight and Thursday, becoming unsettled by Thursday night, cooler tonight.

Indiana: Cooler and generally fair tonight and Thursday.

Lower Michigan: Showers tonight, cooler in west, Thursday generally fair, cooler in southeast.

Upper Michigan: Showers and cooler tonight, Thursday generally fair.

Wisconsin: Showers in east this afternoon, generally fair tonight and Thursday, cooler tonight with frost in extreme southeast.

Minnesota: Fair and cooler tonight with frost, Thursday increasing cloudiness.

Iowa: Fair and cooler tonight and probably becoming unsettled Thursday night.

North Dakota: Generally fair tonight and Thursday.

South Dakota: Increasing cloudiness tonight and Thursday, warmer in west tonight.

SUIT FOR DIVORCE

HAS BEEN WITHDRAWN

But very little was transacted in the circuit court today, none of the cases which were called being ready. The case of Erastus Dimmick vs. Edward Mackin was settled out of court.

Calvin A. Meese has withdrawn his plea for divorce from his wife, Clara Meese. It is probable a few other chancery matters will come up for adjustment before adjournment is taken this afternoon.

DRUGGISTS MUST

RENEW LICENSES

Unless the proprietors of the several drug stores in Dixon call on City Clerk Grover before he closes his office this evening they are apt to receive a reprimand from the city council for selling intoxicating liquors without a license. Their licenses expired Tuesday evening at the same time those of the saloon keepers did, but up to a late hour this afternoon none of the druggists had taken the trouble to renew them.

CITY IN BRIEF

Mrs. A. A. Rowland is ill.

F. A. Watson is out from Chicago. Mrs. C. B. Morrison is in Chicago. W. W. Gilbert went to Chicago today.

Mrs. Royce Hess is visiting in Sterling today.

Mrs. L. D. Osterhoudt of Sterling was here today.

Mr. and Mrs. C. J. Rosbrook will go to Chicago tomorrow.

Miss Florence Fogarty has returned to St. Paul after a visit here.

Miss Elizabeth Crowell of Oregon is visiting her sister, Mrs. A. W. Lord.

Miss Elizabeth McDonald has returned to Chicago after a week's visit here.

Attorney George C. Dixon went to Lee Center today on professional business.

Misses Pauline and Lucille Reynolds will return this evening from Chicago.

Charles Webster left last night to resume his studies at the University of Nebraska.

Lawrence McDonald went to St. Paul yesterday to spend the summer with his sons.

Mrs. F. J. Finkler returned today from an extended visit with her son Fred at Kennett, Cal.

Mr. and Mrs. Ralph Dixon will leave this evening for South Dakota, where they will reside.

Joseph Gannon of Milwaukee came yesterday to help the cause along. He returned this morning.

Mr. and Mrs. L. S. Reynolds are expected home from Denver soon, after a winter spent in the west.

Mrs. Patrick Whalen and daughters, Grace and Marian, left last evening for Billings, Mont. where they will reside on a ranch north of that place.

Mrs. Bainbridge of Cleveland, O., is expected this evening for a visit with her nephew, Douglas Harvey, and Mrs. H. G. Reynolds.

Mr. and Mrs. W. R. Hinsel have returned from Chicago, where they have been visiting. They were accompanied by Mr. and Mrs. Lester Robinson of Daytona, Fla., who will visit here for a time.

At the Telegraph office you will find the most up to date line of ladies' calling cards. Prices very reasonable. Call and see samples. 921f

Now is a good time to observe that little yellow tag on your paper, if you get it by mail. We have just received another carload of paper, which means an expenditure of near a thousand dollars. Remember, every little bit helps.

Judge R. H. Scott will return this evening from Chicago to approve the bonds of Mayor W. B. Brinton and Councilmen Gannon, Schmidt, Schaller and VanBibber.

SPECIAL SERVICES

PRESBYTERIAN CHURCH

Rev. Richards of Sterling will preach at the Presbyterian church to night.

Thursday evening Fred Hope of West Africa, a missionary connected with the same mission with Herbert Greig of this city, will be the speaker. The many friends of Mr. Greig will be pleased with the opportunity to hear the speaker.

Maurice Rosbrook has written to friends that he will come from Chicago next Monday evening to attend the Marquette club party and that he will bring ten couples with him.

Homeseekers Flock to Idaho, The Land of Opportunity

Idaho, the land of opportunity, is becoming populated with many eastern people, who will aid materially in making this one of the leading and most prosperous states in the union. Aiding in populating this remarkable state, is the real estate firm of Henry Raffenberg & Son of this city. For several years this well known real estate and insurance firm have been selling Idaho land and sending out from time to time many families from this immediate neighborhood. They have disposed of many acres of land in Idaho ranging in value from \$500 to \$650 per acre, and not one purchaser has entered complaint to the land he bought and the home he has made for his family in far away Idaho, the state of apples.

In this state large profits are made. Ownership of apples orchard in the famous Council Valley of "Sunny Idaho" is an absolutely safe investment. It gives greater independence, provides a sure competency for old age and secures to the owner a larger income during his life in less time than does any other investment. The lands sold by this firm are known as the "Council Mesa Orchards," lands so productive as to insure as large an income as one can wish.

Some Purchasers of Land.

Quite a number of Lee county people have invested in Idaho land, purchasing the same from this enterprising firm; in fact they have already purchased over \$163,000 of this land handled by this firm. The following is a list of a few of them:

Ashton—Chart Griffith, Harvey E. Pfoutz, Clarence Sanders and Gus Brugger.

Franklin Grove—Charles F. Huyett, Mrs. H. E. Spangler, Joel Senger, T. E. Ainsworth, A. H. Keckler, Miss Miriam Keckler and Walter Manahan.

Nachusa—H. L. Emmert, Lincoln Raffenberg.

Nelson—Walter Geiger and M. C. Stitzel.

Dixon—James W. Seybert, Mark D. Smith, Lyman Booth, Addison Missman, Schyler Goodyear, Claude J. Sweitzer and Harvey M. Sennett.

Here are some people of Rochelle who have also purchased land from this firm, who have a branch office in that city:

C. J. McClymonds, Augustus Caspers and Claude R. Clinite.

Many Find Homes.

More than two million people have founded thrifty homes and now live in a Garden of Eden of wealth which only a few years ago was worthless. \$300,000,000 of farm products were raised last year where ten years ago was barren waste. Towns and cities spring into existence like magic, sometimes in a month and sometimes in a day, when the water is turned from a newly constructed reservoir upon the desert, which is soon converted into green fields and bounteous crops flourish.

HENRY RAFFENBERGER.

Twin Falls, Idaho, has risen from a single ranch house to a metropolitan place of 15,000 population in six years' time. Boise now has 35,000 inhabitants and bids fair to reach 50,000 inside of three years more. Almost every county seat and town grows quickly into a city where there is irrigation. They soon adopt and install modern utilities in the way of street cars, electric lights, sewers and attractive school and other public buildings.

Along a public highway in a settled irrigation district, will be found a house every few hundred yards, as in many cases the land is divided into five, ten and forty acre tracts, for small agricultural or fruit farms. These homes enjoy all the comforts and conveniences of suburban life of our modern cities, so that no one need live a lonesome life nor want for church and educational benefits.

If our city of Dixon could boast of the improvements which are now going on and which have been planned for the town of Council, Idaho, which has been made the county seat of a new county, we would be wild with enthusiasm and property values would almost double immediately, and yet, the people there consider it almost commonplace because so many places are developing like it, and the country is settling so fast.

How Council Improves.

According to the Evening Capital News under date of March 20, the following are a few improvements made in the thrifty county seat, of Council:

New business blocks and new residences are being built this spring.

A canning factory, a creamery, a cement block factory and a brick manufacturing plant are now under way.

One church is being enlarged and one new church will be built.

A Studebaker Bros. branch store, a new drug store, an abstract and title company.

Council has already a new \$20,000

hotel, built by the Washington County Land & Development company.

A \$15,000 business block will be built this year. It will be two stories high.

The L. O. O. F. of Council will build a two-story brick building this year at a cost of from \$12,000 to \$15,000.

A firm will establish a brick yard in Council this spring and this season will make at least 1,000,000 bricks.

Another firm will put in a cement block factory in Council at once.

The Council Valley Fruit Growers' association has just been incorporated with a capital of \$10,000.

The Council-Mesa Orchard company will set out 1,500 acres to apple trees this spring. This is to be the world's greatest orchard.

General Manager Gray of the Council-Mesa orchard, whose home has been in Cortland, New York, arrived in Council several days ago with a carload of Cortland people, some of whom own tracts there, while others will be employed on the great mesa. Ten families arrived in Council last week from the east and are located on the Council-Mesa orchard lands.

Famous for Apples.

The Council Valley has become famous for its high grade fancy winter apples, celebrated throughout the world for long keeping.

At the Paris Exposition in 1890, the apples of this valley carried off some of the first prizes against the whole civilized world. At Chicago and St. Louis World's fairs, the apples of this valley again excelled because of their flavor and long keeping qualities.

At the National Horticultural congress at Council Bluffs, Ia., and at the Intermountain Fair at Boise, this valley carried off the sweepstakes prize against all competitors.

It is considered preeminently the best fruit section of Idaho because of its orchard sites being protected from storms and the sudden changes of climate, besides the soil has just the proportion of mineral and food elements necessary for the growing of a perfect and long keeping commercial apple.

The Boise, Nampa, Caldwell, Twin Falls and other districts grow better prunes, but this valley excels in apples, which is a most profitable crop.

According to the U. S. Government statistics, Idaho stands first in its high production of alfalfa, wheat and oats per acre and its valleys are teeming with wealth from products, but this great state finds its highest land values and greatest profits in the raising of high grade fancy apples where the soil and climatic conditions are ideal and the water convenient and plentiful, as in Council Valley.

How Orchards Yield.

Let the apple growers speak for themselves as to what their respective orchards yield. They would not

report these facts if the same were not true. Read just a few of the stories the apple growers tell.

B. F. Tussing reports the following yield from his seven and a half-acre orchard in 1910: He sold 8,438 boxes of fancy and extra fancy apples through Denney & Co., Chicago, commission men, for \$10,426.90. In addition there were sold 797 boxes of lower grade apples for \$592.75; total number of boxes, 9,235, from 531 trees planted on seven and a half acres; a gross sale of \$11,919.65, from which after the expense of picking, packing and of packages in round numbers \$2,700 had been subtracted there remained a net profit for the season of \$8,319.65 for the season of 1910 from an orchard of only seven and one-half acres, making its thirteenth season's growth.

Manville & Hurst, between Boise and Nampa, from their 55-acre orchard, sold their 1910 crop for approximately \$32,000.

In the Rawlins orchard of Jonathan trees planted five years ago last spring yielded four boxes per tree. The Rome Beauty at the same age, six, seven and eight boxes per tree.

What One Man Did.

I, John Moulton, of Weiser, Washington County, Idaho, do hereby certify that I am the proprietor of the Red Apple Farm, situated three and one-half miles southeast of the city of Weiser, embracing ten acres of mixed varieties of apples, and that the proceeds of the said farm for the year 1910 are as follows: two acres of Rome Beauties, alone gross, \$2,841.35, and the total proceeds of the entire ten acres of apples is \$9,166.05.

JOHN MOULTON.

Mr. Miesse, who heads the Mesa Orchards near Council, when asked about the above affidavit, smiled and related the following incident which occurred on the orchard last fall, while being inspected by Lee, and Ogle county people, among whom was Clarence Sanders of Ashton, who, upon seeing the abundance of fruit in this orchard, thought he would like to own it, if he could purchase it at a reasonable price, and thereupon offered the owner \$1,500 per acre, which was promptly declined, and replied, "Why should I sell it for \$1,500.00 per acre when this year's crop will net me over \$800.00 per acre."

Mr. Miesse stated that last week he offered Mr. Anderson, whose orchard adjoins his at Council \$1,000 per acre for his four year old orchard, who refused it by saying, he netted at the rate of \$400 per acre from it last year.

Mr. Poyner, who is one of our nearest neighbors and from whose orchard came some of the prize winners in the World's contests, told me he had picked eight boxes of apples from six year old trees and from ten year old trees twenty to thirty

ROY RAFFENBERGER.

boxes, which would be at the rate of \$1,000 to \$2,000 per acre.

Mr. Miesse then referred to the picture of H. M. Sennett, of Dixon, which appears on the calendar of Henry Raffenberg & Son. He states he is familiar with the Phipps orchard, in which the picture was taken, and can verify the statement that Mr. Phipps produced \$1,000 from an acre of eight year old trees last year. He sold some of his delicious apples on the ground for \$2.75 per box.

What An Expert Says.

Prof. Holden of the Iowa Agricultural College, in speaking of Idaho, says:

"Idaho is the ideal place for a young man who is looking to make a start in life. Every acre of irrigable land in this section is worth, in yield or income, three times as much as the best land in Illinois or Iowa. I am from Iowa, but if a man is to move, southern Idaho is the place to go, and for a young man it is full of wonderful opportunities."

Commenting on the market for high grade fancy winter apples, Prof. Holden states, the demand has always been greater than the supply. Already, according to the reports received from the wholesale fruit merchants of Boise, 1911 crop is oversold. Orders from many cities of the United States, Europe, Asia and Australia are far in excess of what the apple growers can produce. As an income producer, nothing in the way of agricultural products can equal a bearing apple orchard in the Council Valley. I would rather own for a life's income ten acres of good bearing orchard land, than the best 200 acres in Illinois, because it represents a greater income and less work.

No Failure in Fruit Crop.

In 25 years there has never been a failure in the fruit crop in the Council Valley. The fruit growers never had to smudge against frost nor spray for insects. The days are long and full of sunshine so that growth of everything is rapid. The nights are cool and the insect pests

cannot thrive.

The lands sold by Raffenberg & Son are situated in the foothills of the valley where the soil is rich and deep.

The United States department of health gives Idaho credit for the lowest death rate of any state in the Union.

The water is so pure and the air and sunshine so healthful, the state has but few cases of fevers and the common diseases, catarrhal and lung troubles, are almost unknown.

Council has just been made the county seat. Electrical lines are being planned to tap the rich gold, silver and copper deposits, which when completed, will give a market for everything that is raised in Council Valley in the way of grains and vegetables.

What Company Will Do.

The company which Raffenberg & Son represent plants all the land owned by the company to the best varieties of trees, cultivates and cares for them for five years until they come into bearing without any additional expense to the purchaser. The company guarantee a thrifty bearing orchard and pay all taxes and other expenses until the orchard is turned over to the purchaser. If the purchaser does not become a resident of the land, the company will cultivate his land between the trees to suitable crops and give him 85 per cent of the profits. This intertillage, gives him an income investment immediately. A man could easily make a living and pay for his land besides, by intertilling between the trees, if he lived on the land. If he does not become a resident when his trees come into bearing, the company or the Fruit Growers' association will care for the orchard and market the fruit for 10 to 15 per cent of the profits.

Prominent Financiers Invest.

Some of the prominent financiers of the east are investing with the company represented by Raffenberg & Son, among whom are men connected with the U. S. Steel Company of Pittsburgh, Pa. These men see more safety and larger profits for the future from fruit lands than in manufacturing. Back to the farm is now becoming the slogan in the cities.

The company has employed Mr. Field and Mr. Featherstone as managers and superintendents, who will develop the Mesa Orchard scientifically to insure the greatest profit. These men have been employed for years in the horticultural department of Idaho and are ranked among the most practical and scientific horticulturists in the northwest. Augustus Caspers, Rochelle, is the consulting gardener and will have supervision of the intertillage crops. Helson, Leonard, of Oregon, Ill., is moving to the orchards.

The Council Mesa Orchards represent the greatest orchard enterprise under one management in the United States. For convenience of management and development, the company has divided the orchard into divisions of forty acres each with a superintendent for each division. The company is building houses on each division for its superintendents.

Miesse Returns From West.

C. E. Miesse, the man who heads this land company, has spent con-

siderable time in Idaho and recently returned from the west and came out from Chicago to confer with his local agents here.

A representative of the Telegraph had the pleasure of meeting Mr. Miesse several times during the past several months. Mr. Miesse is deeply interested in the growth of Idaho and especially the Council Mesa Orchards and Council Valley lands, of which Henry Raffenberg & Son are local representatives.

Mr. Miesse is a very interesting gentleman and although he knows that newspaper men, as a rule, are not financially able to make big investments in such lands as he is interested in, nevertheless, he went so thoroughly into the details of irrigation and the possibilities for the homeseeker and investor that we found much material for an article on irrigation, which is fast becoming the only sure farm crop producer, which, in fact, when you have the soil, climate and water applied in the proper quantities at the proper times, makes agricultural pursuits—cold blooded manufacturing plants.

During Mr. Miesse's conversation he told of the great strides of progress southern Idaho has made during the last decade, which is of interest to our many readers.

That Mr. Miesse and Henry Raffenberg & Son are located in the best winter apple fruit valley would naturally be deduced from the fact that such men as Mr. Weymouth and Mr. Bliss of the National Reclamation service and R. H. Hitt of the statistic department of the U. S. government are interested there in lands adjoining, which are not for sale, and speak so highly of the Council Valley as the producer of the finest grades of long keeping winter apples.

Advantages in Idaho.

Successful farming is done in Idaho by irrigation. It is the art of producing crops by watering the earth artificially in regions where there is not sufficient rainfall for the successful production of crops.

A soil which is given all the water it can use will give four times an average product. This company has an abundance of water under perfect control.

Taxes are very reasonable. Road taxes are included in the general taxes levied by the county commissioners.

Idaho soil grows apples. Apple growing is considered by financiers to be one of the most profitable and stable of our industries.

This is true: A well selected location for apple growing, with a five-year-old orchard thereon, is a safe and profitable investment at \$1,000 per acre.

Notice this: Take advantage of the present low prices; irrigated orchard lands are rapidly advancing in value.

Bankers who live in the country are satisfied an apple orchard in the vicinity of the Council Mesa Orchards is a safe, conservative and profitable investment.

RESULT IN STERL AND OTHER CITIES

THE LARGE VOTE EVERYWHERE SHOWS INCREASED INTEREST IN CIVIC AFFAIRS

SEVERAL BY COMMISSION PLAN

Elgin, Ottawa and Jacksonville Under Commission Form—Amboy Re-Elects Harvey.

Sterling, Apr. 19—Special—Despite the interest in the campaign yesterday, the vote polled was not as large as expected, but 1774 votes being cast. J. W. McDonald was elected mayor over A. J. Platt, majority 165. There was no opposition for the offices of city clerk or city attorney, M. E. Wilger being re-elected clerk and C. E. Sheldon succeeding himself as attorney. Three aldermen were elected without opposition: John Harmon for a short term in the third ward, A. L. Heckman in the fourth and Wm. Gallagher in the fifth. The vote on mayor and other officials for which there was opposition was:

For Mayor—
J. W. McDonald, 960.
A. J. Platt, 795.
For City Treasurer—
A. Richtmyer, 317.
H. Partridge, 732.
Alderman, 1st Ward—
A. A. Williams, 221.
M. Black, 21.
Alderman, 3rd Ward—
F. G. Giffrow, 202.
E. E. LeFever, 180.

Amboy Returns.

Amboy, Apr. 19—Special—There was little opposition in the city election yesterday, only for alderman in the third ward. Three aldermen were elected in each ward. Following is the vote:

Mayor—J. P. Harvey, 262.
Clerk—F. A. Flack, 264.
Treasurer—W. E. Cotter, 271.
Attorney—W. L. Leech, 269.
Police Magistrate—John Hoffman, 257.

Aldermen Second ward—F. J. Edwards, 59; J. G. Fisher, 75 1-2; C. H. Wooster, 83.
Aldermen Third ward—Geo. A. Deming, 72; Frank Brady, 69; John Hook, 86 1-2; E. H. Darrow, 97 1-2.

Elgin Picks Commission.

Elgin, Apr. 19—Special—Albert Fehrman was re-elected mayor of Elgin to preside over Elgin's first municipal commission by a majority of 500 votes over I. E. Price, former mayor. John S. Russell, John O'Connell, Chas. L. Kohn and W. F. Munter were elected commissioners. No particular factional lines marked the selection of the commission and the indications are that the board will be harmonious.

Others Under Commission.

Ottawa, Apr. 19—Great interest was taken in the first election under the commission form in Ottawa. Jas. F. Farrell, twice mayor, was defeated for re-election by Edgar F. Bradford by a majority of 961.

Jacksonville, Apr. 19—Special—The first election under the commission form resulted in an unusually large vote being polled. Mayor H. H. Bancroft was defeated by George W. Davis by a majority of 188.

LaSalle.

LaSalle, Apr. 19—Special—Thos. F. Doyle was re-elected mayor by a

big majority. Joseph Burkhart Jr. was named city clerk. The fight centered upon the city attorneyship, P. Coleman being re-elected by 100 votes.

Sycamore.

Sycamore, Apr. 19—Special—Jas. Brekler, republican, defeated David Middleton, socialist, for mayor by 260 majority.

DeKalb.

DeKalb, Apr. 19—Special—Chas. Bradt was elected mayor and Gilbert Blackman city clerk. Both are republicans.

DEMENT TOWN BOINGS

Of course. We told you so.

Good morning, Mr. Mayor and Councilmen. What are you going to do about the waterworks?

Paradoxically speaking, the dry spell is over.

Here's a bet. That within 6 months some of those defeated candidates will be shaking hands with themselves.

Have you noticed that through it all the plow shops have kept right on working?

If you couldn't solve it when we ran that hidden word puzzle, here's the answer. The names of the four defeated candidates for commissioner are: Bardwell, Haley, Smith and Sterling. Easy, isn't it?

YOUNG MAN:

About That Buggy. You want it good, serviceable, easy riding, light running--and something more.

Yes, you want it to have a good finish, to be trimmed with good cloth, to be built of good materials throughout, to be up to date in style--and still something more!

Yes, now that you come to think further, you would like to have it shapely, clean-cut, light-appearing; you would like to have it tasty and correct, so as to pass muster proudly anywhere and reflect credit.

Just such a job is our No. 214.

Auto seat, of course, and therefore, properly, full height panels in the body--make note of that.

The seat does not flare out abnormally, and we can put on a top that is normal in shape and size. Notice the difference in tops--the effect they give to the buggy.

Our new leather quarter auto top is positively the best ever put on an auto seat. No "just-as-good" measures up to it. It is shaped for the seat, and built-up on the seat, of each separate job--fits no other.

Washable Linen Slip Cover for the upholstery--cool and summery, like a fresh Shirtwaist; clean and inviting, sweet-smelling and happy-looking--a feature you can get only on EUREKA.

Still, in No. 214, it isn't this-that-or-the-other-thing but the charm of the whole that captivates--the shapely outline; the finished, well-dressed look--everything just right!

A Young Man's Buggy that reflects credit on the maker, on the seller, and--on the buyer!

Minnesota Legislator Assaults

SPEAKER ASKS FOR MILITIA

C. P. O'Neill Grasps Thomas Frankson by Throat and Bends Him
Over Desk—Order Restored
After Interval.

St. Paul, Minn., April 19.—Riotous scenes marked the filibuster in the house of representatives when C. P. O'Neill of Thief River Falls, made a fierce physical assault on Thomas Frankson, shaking the representative by the throat and bending him back over the desk of C. E. Stone until other members interferred.

Excitement ran high in the chamber and Speaker Dunn, finding his gavel powerless to restore order, said he would ask the governor to hold the state militia in readiness to restore law and order among the state lawmakers.

A call of the house was demanded on a motion to recall the reapportionment bill from the senate. While the call was going forward Mr. Frankson twitted O'Neill with standing by the cities on the Moonan bill and declared that he was to be voted into oblivion. The representative from Pennington resented this and seized Frankson. Members ran from all parts of the house. Alex Nelson of Perham forced himself between the two struggling men and a dozen members laid hold of each to break them apart.

When order was restored the speaker said: "The chair greatly regrets the incident that has just occurred. I have no information as to who is to blame, nor do I care about that. But, gentlemen, order must be maintained in this chamber and it will be though I should find it necessary to call on the governor for a requisition of state troops to maintain order. I shall at once notify the governor to hold in readiness a number of troops to be sent here, should it become necessary."

Order prevailed later under the speaker's threat.

GOOD A PARISIAN SAGE.

Rowland Bros. sell it on money back plan, so you take no risk.

"I can truthfully say that Parisian Sage is the best dandruff cure I have ever used, and can cheerfully recommend it for dandruff or falling hair. It is an elegant hair dressing."

—Mrs. J. W. Smith, 408 East Main St., Durham, N. C., 1910.

"Parisian Sage is the best hair tonic and scalp cleaner I have ever used. It also promotes the growth of the hair and makes it soft and glossy."

Mrs. George E. Alexander, 222 N. Wayne St., St. Mary's, Ohio, 1910.

"My hair was falling out badly; I used one bottle of Parisian Sage, which gave great relief to the falling hair and itching scalp, and the second bottle cured me entirely."

I use it once in a while to keep my hair in good health."—Minnie J. Eisenhard, 1512 Gordon St., Allentown, Pa., 1910.

Parisian Sage is guaranteed by Rowland Bros and druggists everywhere to cure dandruff, stop falling hair, itching scalp and make the hair grow abundantly, or money back. Large bottle 50 cents. Girl with Auburn hair on every bottle.

Mr. and Mrs. S. S. Dodge arrived home Tuesday afternoon from their trip to Europe and the Orient.

MOTHER CRUSHES CHILD IN A FALL

MRS. REAVER OF PRAIRIEVILLE
FELL DOWN STAIRS WITH
CHILD.

Mrs. Joseph Reaver of Prairieville met with an accident just before noon Tuesday which came near killing her little two year old girl. Mrs. Reaver was on her way down to the cellar to get some potatoes for dinner. She was carrying the little girl in her arms, and when part way down the stairs she tripped and fell the rest of the way.

All of her weight came upon the baby, as she held it in her arms. The baby's head struck the bottom of the cellar with great force, receiving an injury which will be a long time healing. Two of her teeth were knocked out, while a third was broken off so that the doctor had to remove it. It is feared that the side of the child's face, where it struck the cellar bottom, may be injured so it may have a tendency to "grow crooked." It is a great wonder that the little one was not killed outright, for the mother fell with her full weight and a considerable distance.

DAUNTLEER THROWN UNDER HORSES' FEET

TRUCKMAN HAD CLOSE CALL TO
SERIOUS ACCIDENT THIS
MORNING.

Will Dauntler was badly bruised and had a narrow escape from serious injury or death this morning when he was thrown from his dray to the ground under the horses' heels.

The accident happened near the switch crossing on Depot avenue at the Grand Detour plow works a little after 9 o'clock when a new horse, a big black, on his dray became frightened at a switch engine crossing the road, jumped, broke his bit in his mouth and turned to run.

He swung the other horse away from the engine and struck the wagon against a telephone pole on the side of the street and then the frightened team started to the other side of the street and the wagon hit the curb, throwing Mr. Dauntler from his seat down under the horses' feet and in the path of the wagon wheels. Several men saw the accident at the start and arrived to stop the horses in time to save the driver from possible death.

The horses were held and Mr. Dauntler extricated from his perilous position.

He was taken to his home by Geo. Toot in his rig and is under the care of a physician. The report is that there are no bones broken and that Mr. Dauntler will be up in a few days.

MAGNOLIA BUDS

ATTRACT ATTENTION

The magnolia buds with leaves which are on exhibition in the window of N. H. Long's flower store on Galena avenue are attracting much attention. The buds, which are fine specimens of the romantic flower, were sent to Mrs. L. Booth of this city from Houston, Tex., and she has presented them to Mr. Long. It is expected the flowers will be in full bloom by Saturday.

Clifton Byrd of Willow Creek was here today.

Lewis and Orville Bryan were here today.

George Olmstead of Sterling was here today on business.

Frank Henning of Mendota was a business visitor in Dixon today.

(Continued from Page 1)

Dixon's municipal affairs and who has always been one of the leading men in the council. Mr. Schuler has shown a good record in the council and his success in the business world stamps him a man of clear foresight and ability. Mr. VanBibber has never held public office, but his friends predict that he will be a capable man in the place.

Installed Tonight.

The new officers will take over the reins of the city's government tonight. The old council will meet in adjourned session at 8 o'clock to close up their business and when Mayor I. F. Edwards calls Mayor-Elect Brinton to the chair and hands him the gavel, Dixon will have crossed the border.

The meeting of the new council this evening will lack much of the interesting features of former meetings at which time a new mayor succeeded to office, in that no appointments will be made.

Under the commission law the entire body makes the appointments and it is the wish of Mr. Brinton and the councilmen to go slowly. As will be seen by the perusal of another article in this paper the task that confronts these gentlemen is a big one, and all of them believe in the adage, "Be sure you're right, then go ahead."

ENGINES WILL NOT TAKE WATER HERE

EXCEPT IN EMERGENCY, AS COM-
PANY DOES NOT OWN
WATER SUPPLY.

Officials of the Northwestern have commenced an investigation with the object of discontinuing the practice of so many enginesmen taking water for their locomotives here. They maintain that it is too expensive for the company to use so much water here, in that at Dixon the water used is purchased from the water company while the railroad company owns its own wells and pumps at Ashton, Franklin Grove, Nelson and Sterling. An order will probably be issued soon which will stop the taking of water here except in emergency cases.

DENTISTS HELD MEETING HERE

WHITESIDE-LEE COUNTY ASSO-
CIATION MET IN DIXON
TUESDAY.

A very interesting and well attended meeting of the Whiteside-Lee County Dental association was held here Tuesday evening. The discussions were of especial benefit to the tooth-pullers, the meeting being considered one of the best the association has ever held. Another meeting will be held in this city early in November.

BARRY MADE GOOD RUN IN ROCKFORD

DIXON YOUNG MAN SECOND IN
THE RACE FOR CITY
ATTORNEYSHIP.

Frank Barry, a former Dixon man, son of W. J. Barry, and now an attorney in Rockford, was a candidate for the office of city attorney in yesterday's election in that city and was defeated by Philip Smith. He was the second man on the ticket, however, trimming Krahn by over 700 votes. The count stood: Smith, 3088; Barry, 1997; Krahn, 1267.

Barry defeated Smith in four precincts and came within a small number of him in several others. He has not been in Rockford long and, of course, is a comparative stranger.

The Rockford Mornig Star of today says of the city attorney fight:

Philip Smith, present city attorney, was not in imminent danger, though Frank Barry made a fine campaign and developed much strength, showing himself an excellent candidate and capable of gathering his friends. Though defeated he has paved the way for political preferment later and is better known to the citizens of Rockford than he has ever been before.

AFTER SNIPE.

Fred Hammarstrom, Louis Pitcher and A. C. Dollmeyer were south of town today shooting snipe—shooting at them, anyway.

AGREEMENT.

The pearl button factories at Muscatine, Ia., which have been practically closed down since Feb. 25, will resume work immediately. Following a conference between the button manufacturers, a committee from the workers in the plants and State Labor Commissioner Van Dusen, at a massmeeting of the Union Button workers, the men agreed to return to work Thursday morning. Committees from the various departments in the shops have been selected to take up the adjustment of weights and counts and other matters which have been in dispute.

TELEGRAPH SCORED BEAT ON RETURNS

THIS PAPER'S RETURNS FIRST
TO ANNOUNCE ELECTION
RESULTS

The Telegraph scored a big beat on all its competitors in announcing the election returns last evening, by posting at 8:15 the figures from the second and fifth precincts and totals at least three minutes before any other newspaper announced them. The second and fifth precincts were the last to report, in fact the other three polling places were reported nearly half an hour before these two. As the selection of commissioners depended upon the vote in these two polling places, the interest was great. By posting in advance of all others the Telegraph proved the efficiency of its organization, and also that its force gets the news while it is news.

DIXON WILD OVER CU-TI-CLAY SOAP

THE MOST CHARMING SOAP IN THE WORLD. CURES PIMPLES, BLACKHEADS AND SKIN DISEASES LIKE MAGIC. MAKES SKIN PEARLY-PINK AND LIKE VELVET.

Even if your face and hands or any part of your body is filled with pimples, eczema, blackheads or spots—or even if it isn't—use Cu-ti-clay Soap a few times and see the wonderful difference. Cu-ti-clay Soap works a transformation on any face—of man, woman or child.

Cu-ti-clay Soap is a different soap than you have ever used—looks different, acts different, feels different. It is pure and wonderfully healing.

It does more than any soap has ever done before. The creamy lather it makes contains millions of tiny atoms of the natural healing Cu-ti-clay which banishes pimples, inflammations, acne, blackheads big and little, and freckles and tan. And it's safe. It makes the skin, hands, arms and face cleaner than you ever saw them before in your life. It gets the pore-dirt right out, and makes the skin pinky, pearly, velvety, all over you. Luxury unspeakable. Try it and see; money refunded if you are not satisfied.

Cu-ti-clay soap is the best for a head wash, too—it chases away dandruff in a hurry—a wonder for eczema and psoriasis.

Cu-ti-clay soap is made of a wonderful and unique clay found only in one locality of Mexico. The perfume of Cu-ti-clay Soap is entrancing. The soap contains no coloring matter whatever. It gives you what you have long been seeking, a luxurious, rose-petal complexion.

Cu-ti-clay Soap is sold at all drug-gists at 25 cents a cake. If your drug-gist does not have it send us your name and 25 cents. The Cu-ti-clay Co., Chicago. It will be mailed promptly. Sold in Dixon by Campbell & Son.

Merchants, get your job printing—bill heads, letter heads, note heads and all kinds of commercial printing done at the Evening Telegraph office. Good work, prompt delivery. Call phone No. 5.

M'FARLAND WINS AGAIN

Chicago Fighter Puts It All Over Harlem Tomp Murphy.

New York, April 19.—Another superb exhibition of ring science enabled Paeky McFarland of Chicago to out-point Harlem Tommy Murphy in a fast ten-round glove contest at the Fairmont Athletic club. So pronounced was McFarland's advantage that the big crowd was never in doubt as to the result of the bout.

Murphy has always been regarded as a clever boxer, but in McFarland he met a man who is in a class by himself. From the moment the gong clanged for the first time McFarland was the master of the situation. His marvelous speed was the secret of his success. He outguessed Murphy in attack and defense and on several occasions it looked as if he could have scored a knockout had he so desired.

FOR CATARRH

MEDICINE FREE IN EVERY CASE WHERE IT FAILS TO RELIEVE.

Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Muc-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Muc-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Muc-Tone comes in two sizes 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Dixon only at our store—The Rexall Store, C. M. Campbell & Son.

OIL SUPPLIES FOR FAR EAST

British Corporation Evidently to Develop Oil Fields of Burmah.

New York, April 19.—The biggest known single order of what is called oil supplies will start to go forward next Saturday on a White Star liner. The order represents a value of over \$1,000,000 and its destination is Rangoon, Burmah.

The consignee is the Burmah Oil company, limited, and oil men who know about the shipment say it indicates that the British corporation expects to go extensively into the development of the fields in that part of the far east.

boxes to the tree, and from the same trees at 9 years I gathered 15 boxes to the tree."

L. D. Poyner says—"I have refused \$1,000 an acre for my orchard."

B. B. Day says—"I have trees 25 years old as sound as ever, and in my opinion they will be good for 25 years to come."

Dr. Brown, president of the First Bank of Council, says—"I am thoroughly familiar with the lands of the Council Mesa Orchards, and I consider them equally as valuable for apple culture as my own, if not superior to them."

Idaho is the land of opportunity. Julian Hawthorne said—"Be prompt, for he that lingers till tomorrow buys dear what was cheap yesterday."

The immortal Lincoln said—"Ere long the most valuable of all arts will be the art of deriving a comfortable subsistence from the smallest area of soil. No community whose every member possesses this art can ever be the victim of oppression in any form. Such community will be alike independent of crowned kings, money kinds and land kings."

After an earnest perusal of these lines and the reader has investigated for himself, he will say, as did the astonished Queen of Sheba, when surveying the magnificence of Solomon's kingdom, that while she had heard stories of its wealth and dignity in her own land, the half had never been told.

CLOSE ELECTION IN DANVILLE, ILL.

Municipal Contest Watched by Members of Grand Jury.

REPUBLICAN CANDIDATE WINS

Report that Much Money Is Spent at Polls Brings Forth Several Subpoenas, Which Are Not Served.

Danville, Ill., April 19.—One of the closest elections ever held in this city has resulted in the choosing of Will C. Lewman, the Republican candidate for mayor, over Louis Platt, the citizens' candidate, by a majority of 171.

The election was watched by the grand jury, which is now in session, and during the day so many reports reached that body that money was being spent illegally that subpoenas were issued for Tom Dallas, George McJilton and John Cherry, all prominently identified with the Democrats.

These subpoenas were to be returned forthwith, but when they were served no attention was given them. Later in the afternoon, Foreman Woodard asked why the witnesses had not appeared and he was directed to Judge Kimbrough. It was learned that the court had deserted the bench and was busily engaged in the election, so that it was impossible to have attachments issued.

There were fights about the polls during the day and three arrests were made for illegal voting. This information will be furnished to the grand jury and it is expected that indictments will be returned.

Danville is wild over the election of Lewman. It is the first time in two years that the city is in control of the Republicans.

O'Fallon, Ill., Elects a Socialist. O'Fallon, Ill., April 19.—D. L. Thomas, Socialist candidate, was elected mayor here.

GIRL PREVENTS KIDNAPING

Through Telescope Sees Strange Man Head Little Girl Away.

Wilkesbarre, Pa., April 19.—Dorothy Worthington, a 10-year-old girl, prevented the kidnapping of her father's little girl by looking through the spyglass, she chanced to direct the glass at the Cookey home some distance down the street. She saw little Elizabeth playing on the sidewalk. Next she saw a strange man stop and speak to the child, then she saw him take the little one's hand and walk down the street with her.

Miss Worthington had no doubt of his intentions. She dashed from the house, ran down the street, and after a long chase overtook them. "Your mother wants you," she called to the little girl. For an instant the man tried to induce the child to go with him, then he dropped her hand and walked rapidly away. The little girl said the stranger had promised to show her a pretty rabbit's nest.

BROWNE IS HEARD FROM

Asks for an Immediate Hearing of His Case.

Will Be Called in Springfield, Ill., on Monday—Motion to Quash the Indictment.

Springfield, Ill., April 19.—A sensation was caused in State's Attorney Burke's office by the appearance of Representative Lee O'Neill Browne of Ottawa, accompanied by his attorney, C. A. Jones of Springfield, to ask that his trial on the charge of conspiracy to bribe be set immediately. State's Attorney Burke said he was willing to proceed.

"If you wish to go to trial at once we will accommodate you," declared Mr. Burke.

The party went to Judge Creighton's chambers and conferred with him. The civil docket had been set

Attorney Jones entered a motion to quash the indictment and this motion will be argued when the case is called.

DICKSON WILL TRY COX

Ohio Supreme Court Refuses Hunt Leave to File.

Cincinnati, April 19.—The Ohio supreme court handed down a decision at Columbus refusing Prosecutor Henry T. Hunt, Democrat, leave to file a petition in quo warranto against Presiding Common Pleas Judge Charles J. Hunt, Republican, in the case of Republican boss, George B. Cox, indicted on perjury charges in the city.

This means that Judge Hunt's designation of Common Pleas Judge William L. Dickson, Republican, to try Boss Cox will stand as final, unless the prosecutor's affidavit of bias and prejudice against Judge Dickson is held sufficient to swear him off the bench.

CONVICTED OF GIRL'S MURDER

Jury Finds Heidemann Guilty of Killing Marie Smith.

Freehold, N. J., April 19.—The jury in the case of Frank F. Heidemann, on trial for the murder of Marie Smith, ten years old, at Ashbury Park, Nov. 9, returned a verdict of murder in the first degree after a deliberation of one hour and forty-five minutes. Justice Willard P. Voorhees sentenced Heidemann to the electric chair at Trenton in the week beginning May 22.

Drops Dead on Way to Vote.

Sioux Falls, S. D., April 19.—While on the way to the polls to vote Moses Kaufman, a wealthy resident of Sioux Falls, dropped dead in the street. A few years ago Mr. Kaufman's wife was the defendant in a sensational case in which she was charged with murdering her sixteen-year-old servant girl.

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. ENDLICH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass. From women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

My Message to Men.

will cure you in the shortest possible time at the least possible cost for the services of a specialist. Consult me free before placing your case.

I ACCEPT ONLY CURABLE CASES AND GUARANTEE EVERY CASE I ACCEPT.

I want to talk to every man suffering from BLOOD AND SKIN DISEASES, NERVOUS DEBILITY, STRICTURE, HYPOSPADIAS, PILES, HERNIA AND PROSTATIC DISEASES, ESPECIALLY TO MEN. The fact that the money, BLADDER AND ALL DISEASES benefit and are skeptical does not discourage me treated elsewhere without all my patients tell of the same experience? I am a specialist in the least. Nearly day and feel sure I can do the same for you. I expect, these men every stubborn, chronic, seemingly incurable cases. Men who realize the seriousness and gravity of their condition and will appreciate benefits. I will treat the plain how different, better and more curative are my methods and treatment than those possessed by others. My special training and experience in treating all chronic, Nervous, Blood and Special Diseases and Weakness of Men, give me many advantages over the ordinary physician. If afflicted it is well worth your while to come hundreds of miles to consult me, rather than subject yourself to dangerous experimental treatment.

Many men come to me and not one has ever had cause to regret. My sympathy is enlisted with every patient. The curing and building up of weak, broken-down men is my work. The welfare and cure of my patients is my only thought. My financial condition makes the fee secondary consideration. In this I differ widely from the doctor who thinks only of his fee and cares nothing for the suffering of his fellowmen. Investigate before treating elsewhere; it may save many years of suffering and the means of changing your whole future.

Are You a Wreck or a Man?

Come to Me and I Will Cure You.

GUARANTEES CURES—Many patients have told me after I have cured them, that they hesitated at first to come on account of never having received relief elsewhere, and that they had almost become so skeptical as to think there was no cure for them. I want an opportunity to treat just such men, and it makes no difference about the financial part.

Dr. Guthrie will be at the Nachusa House, Dixon, on Friday, April 21st, from 11 a. m. to 7:30 p. m. and return every four weeks and in his Office, Corner 1st Ave. and 3rd St., Sterling, Every Saturday from 10 a. m. to 8 p. m.

Finding farm bargains is my business. I have done nothing else for ten years and though I can buy nice farms in Illinois at \$30 and northern part at \$90 to \$120 per acre, and within 35 miles of Keokuk, Ia., at \$50 and \$55, just as good land for corn, clover and blue grass as "lays out doors," yet the bargains to be had in Cavalier county will make more money than any of them, and make it easier and much quicker, for it is still possible here to pay for a farm with one crop. A nicely improved 160 joining a townsite is offered for 25 bushels to the acre. You can get 320 or 960 close to town. E. A. Wadsworth, Langdon, N. D. 76tf

MASTER'S SALE OF REAL ESTATE

In the Circuit Court.
State of Illinois, Ogle County, ss.
Eliza Leggett, complainant,
vs.
John W. Myers, David Myers, Henry Myers, Sarah Coy, J. C. Seyster, W. P. Fearer, Francis X. Newcomer, Jesse U. Weyant, Roy Myers and Frank Stiteley, defendant in chancery.

Public notice is hereby given that in pursuance and by virtue of the decree for sale made and entered by said court in the above entitled cause at the January term, A. D. 1911, of said court, the undersigned, master in chancery of said court will on the thirteenth day of May, A. D. 1911, at the hour of two o'clock p. m., sell at public auction at the north front door of the court house in the city of Dixon, in the county of Lee and state of Illinois, to the highest and best bidder, the following lands and premises in said decree involved and ordered to be sold, to-wit: Lots three (3), four (4) and five (5) of Patrick's subdivision of the north one-half (1/2) of the northeast one-quarter (1/4) of the southeast one-quarter (1/4) of the southeast one-quarter (1/4) of section five (5) in township twenty-one (21) north, range nine (9) east of the 4th p. m. situated in the county of Lee and state of Illinois.

Said sale will be made upon the following terms: One-sixth of the purchase money to be paid in cash at the time of sale, one-sixth in cash on approval of the sale by the court, one-third March 1st, 1912 and one-third March 1st, 1913, the deferred payments to draw five per cent interest annually and to be evidenced by the note or notes of the purchaser or purchasers with approved security if demanded by the master in chancery at the time of the sale, and secured by a first mortgage on the premises so purchased. Said premises will be sold freed from the liens thereon as provided in said decree and freed from the lien of taxes thereon imposed prior to the first day of April, A. D. 1911. Said premises will be sold subject to the right of the complainant to occupy the part of said lands of which she is now in the occupancy for thirty days after demand of possession thereof by purchaser or purchasers thereof at said sale. Deed will be delivered on approval of the sale by the court and upon compliance by the purchaser with the terms of sale.

Dated at Oregon, Illinois, April 10th, 1911.
HENRY A. SMITH,
Master in Chancery of the Circuit Court of Ogle County, Illinois.
Frank Bacon,
Solicitor for Complainant.

CUSTOM HOUSE FLAGS.

Having No Legal Existence, They Are Not Protected by Law.

Tradition is responsible for the flying of the revenue flag over the custom houses of the country, according to a high ranking member of that department.

The flag which floats from the roof of the custom house has not only no legal existence, but is not protected by law from popular use on land and sea nor from advertising, as is the national flag. The revenue cutter service was established under authority of an act of congress of Aug. 4, 1790, as an armed force. It soon became evident that the vessels of the service should have some distinguishing flag or mark to indicate their employment and authority, and under an act of congress of March 21, 1799, the marker was provided for. This act set forth that "the cutters and boats employed in the service of the revenue shall be distinguished from other vessels by an ensign and pendant, with such marks thereon as shall be prescribed by the president."

As is apparent from the act of congress mentioned and various revisions of later date, the revenue ensign was intended especially for the cutters and boats of the service, but it has long been displayed over custom houses.—Baltimore Sun.

RHEUMATIC FOLKS

Are You Sure Your Kidneys are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive.

Don't dally with "uric acid solvents" You might go on till dooms day with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but tone up the kidneys and then all danger from uric acid is ended. Here is Dixon testimony to prove it.

Mrs. P. Whalen, 812 College, Dixon, Ill., says: "I can recommend Doan's Kidney Pills highly, having used them with the best of results. Last fall I was subject to severe backaches and nothing brought me relief until I used Doan's Kidney Pills. The contents of two boxes of this remedy completely cured me and I have had no cause for complaint since. Doan's Kidney Pills are certainly an effective kidney medicine and are worthy of endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

NORTHWEST CANADA GROWS

Sir Donald Mann Estimates Immigration Will Reach 400,000 This Year.

New York, April 19.—Sir Donald Mann, whose firm, Mackenzie, Mann & Co., founded the Canadian Northern railway and owns its common stock, looks forward to a big year for immigration into northwest Canada. The three northwest provinces last year and Sir Donald says the number entering this year will reach 400,000, according to present prospects.

"We let contracts last year for 140 miles on our main line," said Sir Donald at the Plaza, "and we are now advertising for tenders for another 200 miles, which is chiefly rock work, through British Columbia. Into that northwest country are going many people from the older provinces, who sell their old lands to persons from Europe who prefer to settle on land that has been developed to pioneering for themselves. The country is opening up faster than the number of people there would indicate."

DIGNITARIES TO BE PRESENT

Arrangements for Great Arbitration Meeting in London.

London, April 19.—The archbishop of Canterbury, the Most Rev. Francis Bourne, the Roman Catholic archbishop of Westminster, Right Rev. Arthur Foley Winnington Ingram, the Church of England's bishop of London, and Lord Strathcona, Canadian high commissioner, have accepted the invitation of the lord mayor to attend the great peace meeting of the citizens of London at the Guild Hall, April 23. The meeting is called to urge the adoption of an Anglo-American arbitration treaty.

Prime Minister Asquith and a number of prominent men have already accepted invitations to address the meeting.

NOTICED BALD SPOT COMING ON HEAD

Interesting Story of Consultation with Dermatologist and Successful Use of Cuticura. Also Case of Severe Ivy Poisoning, Relief of Which by Cuticura was Permanent.

"Nine years ago I noticed a bald spot coming on my head and, as I was only nineteen years old, it did not seem natural, as it was on the side of my head instead of on top. My mother advised my seeing a dermatologist and I did so, one of the best in Boston, and he said it was due to a germ I must have got it at the barber's. He couldn't assure a cure, but by treating each hair separately by electricity, he said, the hair might come out white or gray, if it came out at all. He proposed giving me a treatment every month for six months at ten dollars a treatment. When I told my mother she advised using Cuticura and this I did, using Cuticura Soap and Ointment every day. In two months my hair commenced to grow, and in six months the one would never have known there had been any trouble, the hair coming out being black, the exact shade of my own. I have never had any trouble since, and feel I can't say half enough for Cuticura."

"Another member of our family was terribly poisoned by poison ivy and every summer for six years the blisters came, burning and causing great suffering. We tried everything recommended by the best physicians, but with no good result. Finally we tried Cuticura and obtained relief in a very short time which was permanent. She has never had any trouble since, so Cuticura is invaluable to us, you see. G. J. Browne, 1 Remington St., Dorchester, Mass., Jan. 29, 1910."

This letter is but one of hundreds giving proof of the success of the Cuticura Remedies in treating the skin and scalp. Foster Drug & Chem. Corp., Sole Props., Boston.

ZION CITY WILD OVER ELECTION

Throne of Overseer Voliva Attacked by Independents.

RIOTS OCCUR IN DOWIE'S TOWN

Crisis Brought on by Importation by Voliva Leaders of a Number of Guards from Chicago—Excitement in Town.

Waukegan, Ill., April 19.—Zion City, handwork of the late John Alexander Dowie, and under his rule a city of the meek and pious, is rent with bitter political strife. The throne of Overseer Wilbur Glenn Voliva, Dowie's successor is being stormed by the independent faction seeking to elect J. A. Goudie, a Zion City contractor, as mayor.

Pre-election arrests and struggles with reference to alleged fraudulent voting by the Voliva faction on primary day have made the mayoralty election the most closely contested ever held in the little city.

Two riots occurred before 8 a. m. Several voters were slugged by the gangs which congregated about the polls. Two arrests were made.

Great excitement prevailed in the city. Many armed themselves with clubs and other weapons. Several reserve arsenals of shotguns and rifles are declared to have been provided. Rioting and bloodshed in the "city of peace" were regarded as imminent by even the most conservative.

Importation by Voliva leaders of nearly two score guards from Chicago to be on guard at the election brought on the crisis. People went wild with excitement as the final installment of Voliva protectors marched in double column from the railway station to the Zion City hospice.

As an extra precaution Chief of Police Hoover swore in more than four score special policemen. A special call was sent to Sheriff Elmer Green of Waukegan for deputies. Every precaution was taken by the independents to prepare themselves for any unexpected countermeasures of the theocrats.

PUBLISHERS AT FEAST

David Lee Taylor Guest of Honor at Banquet in Chicago.

Chicago, April 19.—Three hundred and fifty newspaper publishers from many states of the middle west attended a testimonial dinner in the crystal room of the Blackstone hotel to David Lee Taylor. The guests' friends in the advertising business in Chicago were the hosts.

J. R. Woltz was toastmaster. The responses were made by Dr. Charles William Burkett, editor of the American Agriculturist; Lafayette Young of Des Moines, Hal S. Ray, assistant general passenger agent of the Rock Island lines, and Robert H. Davis of the Munsey publications.

HARRISON IN CONTROL

Mayor of Chicago Swings into His Old Official Position.

Chicago, April 19.—Mayor Carter H. Harrison swung into his old official position in the city hall with a will, declaring he was ready for business following his induction for the fifth time into the mayor's chair before a crowd that jammed the new city council chamber.

After the inauguration Mayor Harrison at once began his duties as presiding officer of the city council. Even the uninitiated could see that it was an old-timer swinging the reins.

SEEK TO KILL LABORERS

Dynamiters Cause Two Explosions Under Car at Villa Grove, Ill.

Danville, Ill., April 19.—News was received of the second attempt in two days to murder a company of Italian railroad laborers employed by the Chicago and Eastern Illinois railroad at Villa Grove. Early in the morning a stick of dynamite was placed under the car in which the men were sleeping and the explosion shattered it. About the same hour the next morning there was another explosion which threw the men from their beds, broke windows and did other damage.

LUNATIC CLEARS COURTROOM

Downs (Ill.) Man, on Trial for Insanity, Attacks Judge and Jury.

Bloomington, Ill., April 19.—W. T. Downs, a liveryman of Downs, on trial for insanity in the county court, seized a chair and made a savage attack upon Judge Hall, the jury and witnesses, putting nearly all to flight.

After a desperate battle he was controlled and strapped, later being taken to the Bartonville asylum.

Wilson Bribery Trial Monday.

Springfield, Ill., April 19.—The case of Robert E. Wilson, charged with conspiracy to bribe, has been set by Judge Creighton for next Monday in the Sangamon circuit court. The Wilson case was set following the setting of the Lee O'Neil Browne case.

FEDERALS ENTER AND REBELS FLEE

Agua Prieta Shows Effect of Raking Fire.

FIFTY BODIES LIE IN STREET

Buildings Are Perforated and Condition of People is Pitiful—Federal Reports Bayoneting Own Wounded.

Douglas, Ariz., April 19.—When the federals entered the city of Agua Prieta after it had been hastily deserted by the rebels, it was evident from the appearance of things that the raking fire they had poured into the town had done more damage than the insurgents had been willing to admit.

Fifty bodies were lying in the streets, buildings were perforated and many adobe residences were sheltering wounded non-combatants, including several women and children. The condition of many people is pitiful. The town is not all supplied with provisions, but as the port has been reopened here it will not be difficult to supply them.

The Red Cross people attempted to go across, but did not succeed.

Spectators on top of the Douglas city hall at 10 o'clock reported seeing through field glasses federals going over the battlefield where they attacked the trenches and bayoneting their own wounded, who had been left in the blazing sun all day and through a night of unusually low temperature. It is said more likely that the federals were burying the dead.

Colonel Renaldo Diaz, in command of Agua Prieta, placed a strong patrol of Yaqui Indians along the international line. They have orders to permit no one to pass. The American troops are patrolling this side and have the same orders. The line is effectively blockaded.

The Arizona militia company held under arms since Sunday was dismissed. More United States cavalry has arrived and the force is now sufficient to handle any situation. The president's message to Governor Sloan cleared the atmosphere and leading citizens approve the executive's course.

All night long rebel deserters straggled into Douglas without arms, and some gave themselves up to the American soldiers. General Garcia was one of the first to surrender. With the commander-in-chief gone the garrison became demoralized. "Red" Lopez, another commander, went to Douglas, but did not surrender except in liquor.

Later a band of rebels, supposed to be Juan Cabral's, coming to reinforce the insurgent garrison that had disappeared, was sighted in the distance, several miles out. Federals outposts fired on the insurgents.

DIAZ NOT SUPPORTED ABROAD

His Countrymen in France Extend Encouragement to Madero.

Paris, April 19.—The Mexican community here remarks that Diaz is not receiving moral support from his countrymen abroad, whereas Madero is encouraged everywhere.

It is stated that Chave, the chief of the Mexico City police, who is of French origin, has written to relatives that he is anxious to return to France, but fears to undertake the perilous journey from the capital to Vera Cruz. He adds that the famous General Kosterlitzky is preparing to hold the state of Mexico against the insurgents and opines that the capital itself will soon declare in favor of Madero.

TENSION IS RELIEVED

Official Washington Breathes More Easily as Mexican Federals Win.

Washington, April 19.—With the evacuation of Agua Prieta by the insurgents, the resumption of federal control of the custom house there tended to relieve the tension in official circles. All are disposed to follow President Taft's lead in urging strong self restraint in dealing with conditions in Mexico. This was clearly indicated in statements made by members of the foreign affairs committee of the two houses.

Two new resolutions were introduced in the house calling for an investigation into conditions in Mexico.

Texas Militia Recruiting.

Dallas, Tex., April 19.—Acting on orders from the state adjutant general, the commanding officers of the Texas National Guard began recruiting their respective companies to a full war footing strength. These officers believe their companies will soon be ordered to the border and perhaps into Mexico for active service.

Expect Insurrecto Attack.

San Diego, Cal., April 19.—The people of Ensenada are expecting an attack by the insurgents under command of General Simon Berthold. The fishing yacht Yankee Girl, which arrived here, brings news that the men at Ensenada are all going about armed.

Socialists Chosen in Canton, Ill.

Canton, Ill., April 19.—The Socialist party elected six aldermen here and the progressive party three.

DIXON WILD OVER CU-TI-CLAY SOAP

THE MOST CHARMING SOAP IN THE WORLD, CURES PIMPLES, BLACKHEADS AND SKIN DISEASES LIKE MAGIC, MAKES SKIN PEARLY-PINK AND LIKE VELVET.

Even if your face and hands or any part of your body is filled with pimples, eczema, blackheads or spots—or even if it isn't—use Cu-ti-clay Soap a few times and see the wonderful difference. Cu-ti-clay Soap works a transformation on any face of man, woman or child.

Cu-ti-clay Soap is a different soap than you have ever used—looks different, acts different, feels different. It is pure and wonderfully healing.

It does more than any soap has ever done before. The creamy lather it makes contains millions of tiny atoms of the natural healing Cu-ti-clay which banishes pimples, inflammations, acne, blackheads big and little, and freckles and tan. And it's safe. It makes the skin, hands, arms and face cleaner than you ever saw them before in your life. It gets the pore-dirt right out, and makes the skin pinky, pearly, velvety, all over you. Luxury unspeakable. Try it and see; money refunded if you are not satisfied.

Cu-ti-clay soap is the best for a head wash, too—it chases away dandruff in a hurry—a wonder for eczema and psoriasis.

Cu-ti-clay soap is made of a wonderful and unique clay found only in one locality of Mexico. The perfume of Cu-ti-clay Soap is entrancing. The soap contains no coloring matter whatever. It gives you what you have long been seeking, a luxurious, rose-petal complexion.

Cu-ti-clay Soap is sold at all drug-gists at 25 cents a cake. If your drug-gist does not have it send us his name and 25 cents. The Cu-ti-clay Co., Chicago. It will be mailed promptly. Sold in Dixon by Campbell & Son.

McFARLAND WINS AGAIN

Chicago Fighter Puts It All Over Harlem Tomp Murphy.

New York, April 19.—Another superb exhibition of ring science enabled Packey McFarland of Chicago to out-point Harlem Tommy Murphy in a fast ten-round glove contest at the Fairmont Athletic club. So pronounced was McFarland's advantage that the big crowd was never in doubt as to the result of the bout.

Murphy has always been regarded as a clever boxer, but in McFarland he met a man who is in a class by himself. From the moment the gong clanged for the first time McFarland was the master of the situation. His marvelous speed was the secret of his success. He outgassed Murphy in attack and defense and on several occasions it looked as if he could have scored a knockout had he so desired.

FOR CATARRH

MEDICINE FREE IN EVERY CASE WHERE IT FAILS TO RELIEVE.

Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucu-Tone comes in two sizes 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Dixon only at our store—The Rexall Store, C. M. Campbell & Son.

British Corporation Evidently to Develop Oil Fields of Burmah.

New York, April 19.—The biggest known single order of what is called oil supplies will start to go forward next Saturday on a White Star liner. The order represents a value of over \$1,000,000 and its destination is Rangoon, Burmah.

The consignee is the Burmah Oil company, limited, and oil men who knew about the shipment say it indicates that the British corporation expects to go extensively into the development of the fields in that part of the far east.

boxes to the tree, and from the same trees at 9 years I gathered 15 boxes to the tree."

L. D. Poyner says—"I have refused \$1,000 an acre for my orchard."

B. B. Day says—"I have trees 25 years old as sound as ever, and in my opinion they will be good for 25 years to come."

Dr. Brown, president of the First Bank of Council, says—"I am thoroughly familiar with the lands of the Council Mesa Orchards, and I consider them equally as valuable for apple culture as my own, if not superior to them."

Idaho is the land of opportunity. Julian Hawthorne said—"Be prompt, for he that lingers till tomorrow buys dear what was cheap yesterday."

The immortal Lincoln said—"Ere long the most valuable of all arts will be the art of deriving a comfortable subsistence from the smallest area of soil. No community whose every member possesses this art can ever be the victim of oppression in any form. Such community will be alike independent of crowned kings, money kinds and land kings."

After an earnest perusal of these lines and the reader has investigated for himself, he will say, as did the astonished Queen of Sheba, when surveying the magnificence of Solomon's kingdom, that while she had heard stories of its wealth and dignity in her own land, the half had never been told.

CLOSE ELECTION IN DANVILLE, ILL.

Municipal Contest Watched by Members of Grand Jury.

REPUBLICAN CANDIDATE WINS

Report that Much Money Is Spent at Polls Brings Forth Several Subpoenas, Which Are Not Served.

Danville, Ill., April 19.—One of the closest elections ever held in this city has resulted in the choosing of Will C. Lewman, the Republican candidate for mayor, over Louis Platt, the citizens' candidate, by a majority of 171.

The election was watched by the grand jury, which is now in session, and during the day so many reports reached that body that money was being spent illegally that subpoenas were issued for Tom Dallas, George McJilton and John Cherry, all prominently identified with the Democrats.

These subpoenas were to be returned forthwith, but when they were served no attention was given them. Later in the afternoon, Foreman Woodyard asked why the witnesses had not appeared and he was directed to Judge Kimbrough. It was learned that the court had deserted the bench and was busily engaged in the election, so that it was impossible to have attachments issued.

There were fights about the polls during the day and three arrests were made for illegal voting. This information will be furnished to the grand jury and it is expected that indictments will be returned.

Danville is wild over the election of Lewman. It is the first time in two years that the city is in control of the Republicans.

O'Fallon, Ill., April 19.—D. L. Thomas, Socialist candidate, was elected mayor here.

GIRL PREVENTS KIDNAPING

Through Telescope Sees Strange Man and Little Girl Away.

Wilkesbarre, Pa., April 19.—Dorothy Worthington, a thirteen-year-old young lady of Bloomsburg, by the aid of her father's telescope prevented a year-old Elizabeth Colley from being kidnapped. Sitting at a window of her home, amusing herself looking through the spyglass, she chanced to direct the glass at the Cooley home some distance down the street. She saw little Elizabeth playing on the sidewalk. Next she saw a strange man stop and speak to the child, then she saw him take the little one's hand and walk down the street with her.

Miss Worthington had no doubt of his intentions. She dashed from the house, ran down the street, and after a long chase overtook them. "Your mother wants you," she called to the little girl. For an instant the man tried to induce the child to go with him, then he dropped her hand and walked rapidly away. The little girl said the stranger had promised to show her a pretty rabbit's nest.

BROWNE IS HEARD FROM

Asks for an Immediate Hearing of His Case.

Will Be Called in Springfield, Ill., on Monday—Motion to Quash the Indictment.

Springfield, Ill., April 19.—A sensation was caused in State's Attorney Burke's office by the appearance of Representative Lee O'Neill Browne of Ottawa, accompanied by his attorney, C. A. Jones of Springfield, to ask that his trial on the charge of conspiracy to bribe be set immediately. State's Attorney Burke said he was willing to proceed.

"If you wish to go to trial at once we will accommodate you," declared Mr. Burke.

for next week, but Judge Creighton canceled it and set Browne's case for next Monday morning.

Attorney Jones entered a motion to quash the indictment and this motion will be argued when the case is called.

DICKSON WILL TRY COX

Ohio Supreme Court Refuses Hunt Leave to File.

Cincinnati, April 19.—The Ohio supreme court handed down a decision at Columbus refusing Prosecutor Henry T. Hunt, Democrat, leave to file a petition in quo warranto against Presiding Common Pleas Judge Charles J. Hunt, Republican, in the case of Republican boss, George B. Cox, indicted on perjury charges in the city.

This means that Judge Hunt's designation of Common Pleas Judge William L. Dickson, Republican, to try Boss Cox will stand as final, unless the prosecutor's affidavit of bias and prejudice against Judge Dickson is held sufficient to swear him off the bench.

CONVICTED OF GIRL'S MURDER

Jury Finds Heidemann Guilty of Killing Marie Smith.

Freehold, N. J., April 19.—The jury in the case of Frank P. Heidemann, on trial for the murder of Marie Smith, ten years old, at Asbury Park, Nov. 9, returned a verdict of murder in the first degree after a deliberation of one hour and forty-five minutes.

Justice Willard P. Voorhees sentenced Heidemann to the electric chair at Trenton in the week beginning May 22. Heidemann was 34 years old.

Drops Dead on Way to Vote.

Sioux Falls, S. D., April 19.—While on the way to the polls to vote Mose Kaufman, a wealthy resident, of Sioux Falls, dropped dead in the street. A few years ago Mr. Kaufman's wife was the defendant in a sensational case in which she was charged with murdering her sixteen-year-old servant girl.

BACHELORS OF DIXON

GIVEN FAIR WARNING

This is no vicinity for a nervous man who does not possess the protection of a wife, for Mrs. Alice Eckels, who, when she was indicted for bigamy, admitted that she had eleven husbands, escaped from the asylum at Kankakee Sunday night and is now roaming the country free to prey on fresh victims. Mr. Bach, you had better hunt a hole or pick out your tree.

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa.—"I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—Mrs. J. P. ENDLICH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it is free and always helpful.

My Message to Men.

the skill cure you in the shortest possible time at the least possible cost for of a specialist. Consult me free before placing your case.

I ACCEPT ONLY CURABLE CASES AND GUARANTEE EVERY CASE I ACCEPT.

I want to talk to every NERVOUS VITAL DEBILITY, STRENGTH, VARIOCELE, HYDROCELE, PILES, WEAK, AND PROSTATIC DISEASES, ESPECIALLY TO MEN. The fact that I have treated elsewhere without benefit and are skeptical does not discourage me in the least. Nearly all my patients tell of the same experience. I am cured, these men every day and feel sure I can do the same for you. I especially solicit these stubborn, chronic, seemingly incurable cases. Men who realize the seriousness and gravity of their condition and will appreciate benefits serious and the lasting cure I give, come to me for free consultation. I will then explain how different, better and more curative are my methods and treatment than those possessed by others. My special training and experience in treating all chronic, Nervous, Blood and Special Diseases and Weakness of Men, give me many advantages over the ordinary physician. If afflicted it is well worth your while to come hundreds of miles to consult me, rather than subject yourself to dangerous experimental treatment.

Many men come to me and not one has ever had cause to regret. My sympathy is enlisted with every patient. The curing and building up of weak, broken-down men is my work. The welfare and cure of my patients is my only thought. My financial condition makes the fee secondary consideration. In this I differ widely from the doctor who thinks only of his fee and cares nothing for the suffering of his fellowmen. Investigate before treating elsewhere; it may save many years of suffering and the means of changing your whole future.

Are You a Wreck or a Man?

Come to Me and I Will Cure You.

GUARANTEES CURES—Many patients have told me after I have cured them, that they hesitated at first to come on account of never having received relief elsewhere, and that they had almost become so skeptical as to think there was no cure for them. I want an opportunity to treat just such men, and it makes no difference about the financial part

Dr. Guthrie will be at the Nachusa House, Dixon, on Friday, April 21st, from 11 a. m. to 7:30 p. m. and return every four weeks and in his Office, Corner 1st Ave. and 3rd St., Sterling, Every Saturday from 10 a. m. to 8 p. m.

PROBE MAY HIT F. H. HITCHCOCK

Congressman Asks Investigation of Postoffice Department.

RESOLUTION WILL BE PUSHED

Various Reports Concerning Treatment Given Clerks by Department to be Brought to Light.

Washington, April 19.—Representative Howard of Georgia, who succeeded "Uncle Lon" Livingston and who has been active of late in proposing inquiries into various branches of the government service, has turned his attention to the postoffice department, and has introduced a resolution in the house asking for a comprehensive investigation thereof.

In the resolution introduced Mr. Howard declares that there have been many charges of inefficiency and violations of congressional enactments made against the postmaster general and therefore he wants the committee to inquire into the conduct of the department to ascertain if the "un-American practice of intimidation of postal employees exists; if the employees in the railway mail service have been denied the right to organize; if the number of postoffice inspectors has been increased during the last sixteen years; if unnecessary surveillance over postal clerks is being employed to the demoralization of the force, and whether the department is crippling the rural free delivery service by declining to use money appropriated by congress for the retention of rural routes."

Mr. Howard intends to push the resolution before the rules committee.

GOULD MAN FINAL WINNER

B. F. Bush Chosen President of Missouri Pacific Railway.

New York, April 19.—A long and bitter controversy over the selection of a new president at a meeting of the board of directors of the Missouri Pacific ended in the election of B. F. Bush, president of the Western Maryland and a Gould man, in the resignation of Paul M. Warburg, of Kuhn, Loeb & Co., and Cornelius Vanderbilt from the directorate, and in seemingly irreconcilable differences between the firm of Kuhn, Loeb & Co. and the American and foreign stockholders represented by it and the Gould party and associates.

Votes against Mr. Bush were cast by all the new members of the board elected at the last annual meeting, with whom George J. Gould had made arrangements for the development or rehabilitation of the company.

HOUSE IMPEACHES RUSSELL

Corruption Charged Against Head of Marquette Penitentiary.

Lansing, Mich., April 19.—By a vote of 77 to 19 the house adopted a resolution presented by Representative Henry E. Straight of Branch county calling for the impeachment of Warden James Russell of Marquette prison. The house appointed a committee to notify the senate that the warden has been impeached for alleged corrupt conduct, crimes, and misdemeanors.

"I heartily approve of the action of the house in impeaching Warden Russell," said Governor Osborn. "After adopting the committee report I cannot see what else the house could do. Trial by the senate offers Warden Russell a chance for a fair investigation."

NEGRO SAVED FROM MOB

Crowd of 500 Fails to Get Black Before He Is Taken to Safety.

Champaign, Ill., April 19.—Pursued by a mob of 500, James Cole, a negro, surrendered to a deputy sheriff and was taken to the county jail in Urbana for safe keeping.

Cole shot and probably fatally wounded Orville Dolph, a young white man. Dolph charged the negro with insulting a white woman, whereupon Cole drew a revolver and fired. Automobiles and carriages were used in the chase. Cole was captured in a barn. He was placed in an automobile guarded by officers. Some men were knocked off the steps of the machine.

HELD FOR MOTHER'S DEATH

Former Rhode Island State Senator Under Awful Suspicion.

Newport, R. I., April 19.—Former State Senator Frank Littlefield of Block Island, R. I., was arraigned here in the district court on a warrant charging him with the murder of his mother, Mrs. Ann Elizabeth Littlefield. He entered a plea of not guilty and is being held without bail to await the decision of the grand jury.

Mrs. Littlefield was found at the foot of the cellar stairs last Wednesday morning. Her neck had been broken and there were wounds on the head. The theory was that the old woman had fallen down stairs.

PLACATING THE DEVILS.

Paying Homage to Evil Spirits of Land and Sea in China.

Once every year, during the first fifteen days of the seventh Chinese month, the curious ceremony of Yu Nan Wei is celebrated, being, in fact, the paying of homage to the land and sea devils.

Seven priests carry out the ceremony by offering up various forms of prayer, says the Wide World Magazine, and making an unearthly noise by beating gongs.

Any one wishing to show his respect to the devils can do so by a payment of 600 cash—about 22 cents—to each of the priests, for which amount they will continue their performance for twelve hours, a truly modest remuneration.

For an extra payment of 2,000 cash a number of small red paper boats about six inches long, with lights inside, will be sent floating down the river with the current. These lights are for the benefit of the sea devils in order that they may be able to see their way about on dark nights.

Having finished this performance, the person on whose behalf it has been carried out goes away happy in the conviction that he will not lose any of his family throughout the year either by sickness or drowning, so that the whole ceremony may be looked upon as an insurance policy. At this time of year many thousands of the small lighted boats may be seen floating down the Yangtsekang.

NOTICE.

Practical Information for Critical Piano Purchasers.

Chapter II., TONE.

The action is the mechanism which imparts the blow from the finger to the hammer and thence to the strings. Each key should work exactly the same, easily, smoothly, repeat rapidly and respond to the slightest touch. No one who is well informed will accept a piano, whose action does not contain a brass hammer-
 flange.

This prevents the rattling so often heard in pianos in heated rooms and also prevents hammers from getting out of place.

The action parts should be well finished and finely adjusted. Only the best pianos have actions embracing all the above conditions.
